Dear Cheryl:

The North Jersey ASQ and the Program Committee of the *Spring Quality Conference 2006* would like to thank you for an excellent presentation. We appreciate the effort you put into your preparation and taking time out of your busy schedule to share your knowledge and experience with the quality professionals from the North Jersey area. Any profits from the conference go to the operation of North Jersey Section and college scholarships.

Last week we reviewed the conference evaluations and the 250 attendees were very satisfied. A number of attendees commented that your presentation was outstanding. I am sure the attendees have a better appreciation for the best practices in designing surveys. If you have any suggestions on how we might improve the conference or have good topics and potential speakers for 2007, please let me know.

Again, thank you for helping make the *Spring Quality Conference 2006* a success and **Go Boilermakers!**

Sincerely,

Robert English
